

A comprehensive price list for aluminum optical cables

AI Overview

The latest aluminum optical cable prices for June 2026 are available from major manufacturers and market sources, including Polycab, RR Kabel, Finolex, Havells, KEI, Lapp India, and National Cables. Manufacturer-Specific Price Lists

Polycab: Offers a comprehensive price list covering aluminum armored cables, single-core, multicore, and other optical cable types. The latest PDF and Excel versions can be downloaded from Polycab's official portals or Vashi Integrated Solutions for current pricing details and specifications (Polycab Price List, Vashi Integrated Solutions).

RR Kabel: Provides updated pricing for aluminum optical cables along with other wire and cable products. The price list is maintained on their official website and includes detailed specifications for each cable type (RR Kabel Price List).

Other Indian Manufacturers: The June 2026 consolidated price list aggregates data from Finolex, Havells, KEI Industries, Lapp India, and National Cables, offering a comparison across brands. Users can request the PDF or Excel version via the Cable Price India portal to access the full matrix of specifications, sizes, and prices (Cable Price List India, June 2026).

Market Price Assessments For broader market insights, CRU Group provides up-to-date price assessments for bare optical fiber and aluminum optical cables across key regional markets. This includes analysis of market trends, supply-demand factors, and price fluctuations, which can be useful for bulk procurement or international sourcing (CRU Wire & Cable Prices).

How to Access Visit the manufacturer's official website or authorized distributors to download the latest PDF/Excel price lists. For consolidated comparisons, submit a request on the Cable Price India portal to receive the June 2026 price list covering all major BIS-certified manufacturers. For market trend analysis and regional pricing, consult CRU Group's subscription-based reports....
