

Burundi Multi-hole Cable Tray Manufacturer

AI Overview

Brilltech Engineers Pvt. Ltd, Cable House, and Jeetmull Jaichandlall (P) Ltd are leading manufacturers and suppliers of multi-layer cable trays in Burundi. Key Manufacturers and Offerings Brilltech Engineers Pvt. Ltd is a prominent cable tray manufacturer in Burundi, offering a wide range of products including ladder cable trays, perforated cable trays, PVC cable trays, mild steel, and stainless steel trays. They provide customized solutions for residential, commercial, and industrial applications, ensuring high-quality standards and timely delivery. Their galvanized cable trays are particularly noted for corrosion resistance and robust construction, suitable for harsh environments. Brilltech also offers installation support and after-sales service to ensure client satisfaction. Cable House has been operating since 1983 and is recognized for manufacturing customized cable trays, hose clamps, crimping tools, and industrial connectors. They focus on high durability, reliable performance, and tailored solutions to meet specific client requirements. Cable House serves both national and international markets, providing flexible options for multi-layer cable tray systems. Jeetmull Jaichandlall (P) Ltd specializes in MS (mild steel) cable trays and is known for its modern manufacturing facility and advanced technology. They offer cable trays in various sizes, shapes, and colors, ensuring compliance with industry standards. Their products are designed to withstand heavy loads and environmental stress, making them suitable for industrial and commercial installations.

Features and Benefits

Durability and Strength: Multi-layer cable trays from these manufacturers are built to handle heavy cabling and resist deformation.

Customization: Options for size, material, and configuration to suit specific project needs.

Safety and Compliance: Products adhere to industry standard...
