

Complete Price List for Belgian Network Cabinets

AI Overview

Network cabinet prices in Belgium range from approximately €150 for basic wall-mounted units to over €3,000 for specialized floor-standing or outdoor models. Price Ranges by Cabinet Type

1. Wall-Mounted Network Cabinets Ideal for small offices, home offices, or satellite setups. Sizes typically range from 6U to 12U. Basic models start around €150, while feature-rich units with glass doors or enhanced ventilation can cost up to €260.
2. Floor-Standing Network Cabinets Suitable for medium to large installations, including server rooms and data centers. Sizes range from 12U to 27U. Prices generally fall between €300 and €800, depending on features like ventilation, cable management, and security.
3. Patch Cabinets / Server Cabinets Designed to organize network connections, patch panels, switches, and sometimes routers. Available in multiple colors (white, black) and sizes to accommodate different unit counts. Prices vary based on capacity and customization, typically starting around €200–€400 for smaller units and increasing for larger or specialized configurations.
4. Industrial or Outdoor Cabinets Cabinets with higher protection ratings (e.g., IP55) for harsh environments. Prices can exceed €3,000 for large, weatherproof, or highly secure models.

Factors Affecting Price

- Size and unit capacity (U height)
- Material and build quality (steel, aluminum, glass doors)
- Ventilation and cooling options
- Security features (lockable doors, reinforced panels)
- Environmental protection (IP ratings for dust and water resistance)
- Brand and warranty
