

Custom-made modular cable trays price

Overview

Steel trays typically cost between \$10-\$30 per meter, while aluminum trays range from \$20-\$50 per meter. Custom or coated trays may have higher pricing. Why do cable tray prices fluctuate?

Raw material costs, demand, competition, and supply chain factors all impact pricing. The price is based on standard length of the cable tray which is 2. We want to improve this website so we need your help. The main cost driver is the material used in manufacturing: □□ Galvanized steel is the most common. Choose from our selection of cable trays, including over 850 products in a wide range of styles and sizes. Based on product availability, pricing tiers, and supplier credibility, this analysis identifies top-performing options for mid-to-large scale B2B procurement.
