

Direct Supply Company from Korean Optical Cable Manufacturers

AI Overview

South Korea hosts a robust network of optical cable manufacturers capable of supplying high-quality fiber optic products to global buyers, including Direct Supply Company. Key Korean Optical Cable Manufacturers South Korea is home to numerous advanced optical cable manufacturers with strong export capabilities. Notable companies include:

- KOC:** Specializes in integrated fiber optic solutions and exports to over 30 countries, offering cost-effective, high-quality fiber optic products suitable for large-scale procurement.
- SUNGPOONG CABLE:** Established in 1999, focuses on innovative fiber optic technologies and high-quality products for international markets.
- HM Solution Co., Ltd:** Provides fiber optic tools, test and measurement equipment, and automation solutions, supporting both manufacturing and quality assurance.
- Shinhan Networks:** Produces fiber optic adapters, patch cables, and connectors for telecom and data center applications, with in-house ceramic ferrule production.
- ES CABLE Inc. and Sunil Telecom:** Offer optical communication cables, protective ducts, and fiber optic components with global patent coverage and export experience.

Sourcing Platforms and Trade Intelligence

For Direct Supply Company, leveraging trade intelligence platforms can streamline supplier selection:

- Volza:** Lists 711 verified South Korean fiber optic cable suppliers, providing shipment volumes, trade routes, buyer networks, and direct decision-maker contacts. This enables risk-mitigated procurement and faster negotiations.
- Trademo:** Offers detailed shipment data, trade volumes, and global buyer insights for South Korean optical cable manufacturers, helping identify reliable partners and optimize sourcing strategies.
- Kompass and EC21:** Provide company profiles, product catalogs, and technology descriptions for Korean optical cable suppliers, facilitating direct outreach and suppl...
