

Factory direct sales of mobile optical cables

AI Overview

Factory direct sales of mobile optical cables allow businesses to purchase high-quality fiber optic cables directly from manufacturers, reducing costs and ensuring customized solutions.

Key Suppliers and Manufacturers

- 1. Weichuang Optics (China)**
Weichuang Optics specializes in factory direct sales of fiber optic cables, connectors, and patch cords. They offer customized optical solutions for telecommunications, data centers, and mobile networks, ensuring compliance with ISO9001:2015 standards. Their products are designed for fast transmission, low insertion loss, high reliability, and easy installation, suitable for connections between BBU and AAU equipment in mobile networks. They also provide comprehensive customer support and after-sales service, making them a trusted partner for major operators like China Telecom, China Mobile, and China Unicom.
- 2. Bayka (Germany)**
Bayka is a leading German manufacturer of fiber optic cables, offering outdoor, indoor, micro, aerial, and railfoot fiber cables. They are certified with DIN EN ISO 9001, 14001, and 50001, and their products meet VDE, ROHS, REACH, and CE standards. Bayka focuses on innovation and flexible production to meet diverse customer needs, making them suitable for mobile network infrastructure projects.
- 3. Tratos Group (Italy/Europe)**
Tratos Group manufactures a wide range of fiber optic cables, including FTTH (Fibre to the Home) solutions, fire-resistant cables, and low smoke zero halogen cables. Their products are used in high-speed rail and domestic broadband networks, offering versatility, flexibility, and high performance. Tratos emphasizes research and development, ensuring cables meet the latest telecom and mobile network requirements.
- 4. Other European Suppliers**
Additional European suppliers include WEINERT Industries AG (Germany), Upcom Technologies (Turkey), and TKH Group (...)
