

Fiber Optic Cable Bracket Manufacturer Price Inquiry

AI Overview

Fiber optic cable brackets are available from multiple manufacturers with prices varying by material, type, and order volume, including OEM and wholesale options. Key Manufacturers and Suppliers

MefiberOptic MefiberOptic offers a wide range of fiber optic cable clamps and brackets suitable for ADSS or drop cable installations. Their products are made from UV-resistant thermoplastic, galvanized steel, aluminum alloy, and stainless steel, and undergo rigorous testing for tensile strength, temperature cycling, aging, and corrosion resistance. OEM services are available, and pricing can be calculated based on sample or configuration requests.

Essentra Components US Essentra provides fiber optic holders, brackets, and clips designed for secure cable management. Their products include splice holders, fiber guides, and mounting brackets, compatible with telecom, datacom, and industrial applications. Prices vary depending on configuration, and they offer free CAD drawings, samples, and custom solutions for bulk orders.

China-Based Manufacturers (Made-in-China) Numerous Chinese suppliers offer fiber cable brackets at wholesale prices, including pole line hardware, anchor brackets, and customized OEM/ODM options. These suppliers provide competitive pricing directly from factories, often with quality certifications and compliance with industry standards. Buyers can request personalized quotes based on quantity and specifications.

JERA Line JERA Line manufactures fiber optic accessories including brackets, clamps, and splitters. Their products adhere to ISO 9001 and international testing standards (EN-50483, IEC 61238-1), ensuring reliability and durability. Pricing is typically available upon inquiry, especially for bulk or customized orders.

FiberCheap FiberCheap specializes in anchor and suspension brackets for wall or pole installations. Their products are tested for...
