

Fireproof cable tray manufacturer in stock

AI Overview

Leading manufacturers of fireproof cable trays include NewReach, Cablofil, Meka Pro, and Hermi Solutions, offering tested, in-stock solutions for industrial and commercial applications. Recommended Manufacturers and Products

1. NewReach NewReach specializes in fire-rated cable trays designed to maintain structural integrity during fires, preventing flame spread and supporting critical systems like emergency lighting and fire alarms. Their trays are available in powder-coated aluminum, galvanized steel, and fiberglass with intumescent coatings, featuring FLAMMOTECT-A and DG-CR 0.7 technologies for enhanced fire resistance. These solutions comply with fire safety codes and are suitable for high-risk environments, ensuring minimal disruption during emergencies.
2. Cablofil (via Thorne & Derrick UK) Cablofil offers fire-resistant cable basket trays suitable for low and high voltage cables, tested to the German DIN 4102-12 standard. These trays are widely used in construction, power, oil, gas, petrochemical, rail, and utilities industries. Cablofil trays are compatible with Prysmian FP and Draka Firetuf cables, and the supplier provides fire performance test reports upon request.
3. Meka Pro Meka Pro provides over 1,200 fire-tested cable management products, ensuring that electrical systems remain operational during fires. Their systems comply with EN 1363-1 standards, and they emphasize the use of non-toxic, fire-resistant materials. Meka Pro products are designed for cost-effective, safe installations in industrial and commercial settings, with manufacturer support for proper installation.
4. Hermi Solutions Hermi Solutions offers E90 fire-resistant cable trays for surface cable laying, available in standard or lightweight configurations. Their team provides guidance to select the most suitable solution for specific project requirements, ensuring compliance with fire safety standards.

Key Considerations

Article Content

Fire Rated Cable Tray, Heavy-Duty Cable Tray Manufacturer

Fire Rated Cable Trays that are crafted from premium materials like stainless steel, galvanized steel, tempered glass, and fire-resistant polyester fiberglass. Each tray is coated with a specialized fire

FRP Cable tray

Ferrotech supplies FRP GRP cable trays in varied sizes along several fittings like bends, tees, cross, reducers, etc. for every large or small project. Leading the

Basor Electric

Basor Electric, sensitive to the need to minimize the consequences of a fire, has subjected its cable trays to rigorous fire resistance tests to ensure the behavior

Fireproof Cable Tray Manufacturers & Suppliers

Cable Tray manufacturer / supplier in China, offering Factory Direct Cable Management Channel Custom Fireproof Ladder Type Cable Tray, Durable and Inexpensive Ladder-Type Anti-Corrosion

Premium Fireproof Slotted Cable Tray for Industrial Applications
