

Good cable tray quotes in Qatar

AI Overview

You can obtain competitive cable tray quotes in Qatar from suppliers like Cabtech Qatar, Qatar Technical, and through the Qatar Oil and Gas Directory. Key Suppliers and Options

1. Cabtech Qatar Cabtech offers a wide range of cable tray and channel systems, including ladder, perforated, and solid trays. They provide accessories, fittings, and support systems suitable for industrial and commercial installations. You can request a quote directly via their website or by calling (+974) 4016 5144 .
2. Qatar Technical Qatar Technical supplies pre-galvanized steel cable trays, available in both solid and perforated designs. Their trays are suitable for applications requiring airflow for cable cooling or heavy-duty support. They also provide fittings, clamps, cantilever arms, and U-channels for flexible installation. Standard width and height combinations range from 50/50mm to 300/300mm. Quotes can be requested through their website or by contacting their sales team .
3. Qatar Oil and Gas Directory This directory lists multiple cable tray product suppliers in Qatar, offering trays made from galvanized steel, aluminum, stainless steel, and glass-fiber reinforced plastic. It provides a convenient way to compare suppliers, materials, and pricing for both overhead and underground installations .

Considerations for Quotes

Material: Choose based on corrosion resistance and environmental conditions (e.g., stainless steel for humid or outdoor areas).

Tray Type: Ladder, perforated, or solid trays depending on airflow and cable support needs.

Accessories: Include bends, tees, risers, clamps, and connectors for complete installation.

Cost Factors: Material, tray size, load capacity, and installation complexity affect pricing. For the most accurate quotes, it is recommended to contact suppliers directly with your project specifications, including tray length, width, load requirements, and installation environment. This ensures tailored pricing and availability.
