

# Good electrical distribution box manufacturers in Nepal

## AI Overview

Top suppliers of complete electrical distribution boxes in Nepal include Electra Electric, Goldmedal, and Modern Electric Engineering Solutions, all offering certified, durable, and versatile products. Electra Electric, based in Biratnagar, is known for manufacturing high-quality distribution boxes using certified raw materials that meet international standards. Their products are designed for safe and organized power distribution, suitable for residential and commercial installations. Electra Electric emphasizes reliability, neat design, and compliance with safety standards, making it a trusted choice for local electrical projects. Goldmedal offers a range of Air Double Door Distribution Boards with IP43 ratings, available in both TPN (Triple Pole and Neutral) and SPN (Single Pole and Neutral) configurations. These boards are ideal for three-phase and single-phase systems, providing protection against dust and moisture. The double-door design enhances accessibility for maintenance while ensuring safety, making Goldmedal a strong option for both industrial and commercial applications. Modern Electric Engineering Solutions Pvt. Ltd., located in Chitwan, manufactures and supplies power distribution boxes and control panels for industrial and household use. Their products are durable, easy to install, and maintenance-free, with a variety of sizes and configurations to meet diverse electrical requirements. They also provide bus ducts and junction boxes, making them a comprehensive supplier for electrical infrastructure projects.

**Considerations for Choosing a Supplier**

- Certification and Standards:** Ensure the distribution boxes comply with international safety standards.
- Material Quality:** Steel or high-grade plastic enclosures with powder coating improve durability.
- Configuration Options:** SPN for single-phase and TPN for...
