

How long is a roll of ASS fiber optic cable

Overview

We carry bulk network cable in 1000-ft rolls for installation professionals who go through a lot of cable in the installation and/or maintenance of their applications and projects. Instead of paying premium prices for piecemeal materials, stock up and pay less per foot with your bulk fiber cable. Use for making your own custom length fiber optic cable. Connector Type: (none cable is raw with no connectors). I'm reading spools come in various lengths, and I get that, but if I have a 25km run, how long would those spools. Find high-quality fiber optic cable rolls for various applications. ☐☐ Get the Speed You Need with Our Fiber Optic Cable Spool: This 1000-foot black spool of OS2 fiber optic cable is ideal for long-distance, high-speed data transmissions, perfect for fiber optic internet and extensive network setups, whether indoor or outdoor. ☐☐ Eco-Friendly and Ready for Fiber.
