AI Overview

Cable tray connection pieces typically range from \$0.58 per piece for small couplers to over \$250 for specialized bulk kits. Typical Price Ranges

Single couplers and splice plates: Basic zinc or aluminum couplers for wire mesh or ladder trays can cost \$0.58 to \$8 per piece, depending on size and material (e.g., electro-zinc, stainless steel).

Bulk packs: Kits containing 25–50 couplers or splice plates are priced between \$28 and \$253 per pack, offering cost efficiency for larger installations.

Specialized or heavy-duty connectors: Larger or reinforced couplers, expansion splice plates, and adjustable butt splices can range from \$20 to \$150 per unit, depending on material and load capacity.
