

How much does a cable tray cost in Cambodia

AI Overview

Cable trays in Cambodia are available from approximately \$1 per unit for basic local models, with prices varying based on material, type, and supplier. Overview of Suppliers and Pricing Local Retail Pricing Basic cable trays in Cambodia can be found for around \$1 per unit at local markets such as Chaom Chau, Por Senchey, with options for wholesale and retail purchases. These are typically locally manufactured and suitable for standard electrical installations. Manufacturers and Exporters Cable House offers a wide range of cable trays with a focus on durability and long operating life, providing competitive market prices for both domestic and international clients. Super Cable Tray Pvt. Ltd. supplies high-quality aluminum and stainless steel trays, including ladder trays, perforated trays, and wire mesh trays. Prices vary depending on material and customization, with premium options for industrial and commercial applications. Jeetmull Jaichandlall (P) Ltd. provides cable trays in various sizes, shapes, and configurations, suitable for construction, agriculture, and industrial sectors. They emphasize quality and adherence to industry standards, offering competitive pricing for bulk orders. GV Industries in Phnom Penh specializes in cable management solutions for IT and data centers, including cable trays integrated with server racks and enclosures. Pricing is typically customized based on project requirements. Factors Affecting Price Material: Galvanized iron (GI), aluminum, and stainless steel trays have different costs, with stainless steel being the most expensive. Type: Ladder trays, perforated trays, and wire mesh trays vary in price due to design complexity and load capacity. Size and Length: Longer or wider trays cost more. Quantity: Bulk orders often receive discounted rates. Customization: Special coatings, finishes, or project-specific designs can increase the price. Recommendation...
