

Huijue Optical Cable for All

AI Overview

Huijue provides comprehensive optical cable solutions, including fiber optic components, integrated cabinets, outdoor enclosures, and FTTH network deployment services for global telecom operators. Company Overview Huijue, also known as Shanghai Huijue Network Communication Equipment Co., Ltd., is a high-tech enterprise established in the early 2000s, specializing in the R&D, production, and sales of optical communication equipment. The company operates a headquarters in Shanghai with R&D, technical, and prototype departments, and a large-scale production facility in Jiangsu province for precise metal fabrication, cabinet assembly, and optical fiber products. Huijue is a designated supplier for major operators such as China Mobile, China Unicom, China Telecom, and China Tower. Optical Cable and Fiber Solutions Huijue offers a wide range of fiber optic components and solutions, including: PLC splitters, fiber optic connectors, and field-assembled connectors for FTTH and FTTN networks. Fiber optic distribution frames, joint closures, and terminal boxes for network management and protection. Outdoor integrated cabinets and shelters, including photoelectric integrated boxes that combine optical and power management in one unit. Fiber optic patch cords and cross cabinets for flexible network deployment. These products are designed to ensure low loss, high uniformity, and compact size, meeting both domestic and international standards. Network Deployment and Solutions Huijue provides end-to-end optical network solutions, including: FTTH (Fiber to the Home): Laying optical fibers directly to user premises for high-speed broadband access. FTTN (Fiber to the Node): Extending fiber to node cabinets and using copper or other media for the last mile. Outdoor and indoor network infrastructure: Integrated cabinets, energy storage rooms, and telecom shelters for wired and wireless transmission networks. The company also supports customized solutions for various industries, including finance, transportati...
