

Jamaican ladder-type cable tray brands

AI Overview

Brilltech Engineers and Chalfant Manufacturing Co are among the leading ladder-type cable tray brands available in Jamaica. Brilltech Engineers is a prominent manufacturer and supplier of ladder cable trays in Jamaica, offering durable steel and PVC options designed for electrical, control, data, and fiber optic cables. Key features include corrosion-resistant coatings, rounded edges for safety, pre-punched holes for easy installation, and customizable sizes to suit specific project requirements. Their trays are suitable for residential, commercial, and industrial applications, and can be expanded or modified for future cable additions. Chalfant Manufacturing Co provides ladder cable tray systems suitable for both indoor and outdoor use. Their products feature walkable designs with non-slip treaded covers, screwless connections, and multiple finishes to accommodate different environments. Chalfant trays are designed for reliability, ease of installation, and long-term cost savings, making them ideal for industrial power and data cable management.

Additional Considerations When selecting a ladder-type cable tray in Jamaica, consider:

- Material:** Steel, stainless steel, or PVC depending on environmental conditions.
- Load capacity:** Ensure the tray supports the weight of your cables.
- Customization:** Some suppliers offer cut-to-size or project-specific configurations.
- Corrosion resistance:** Important for outdoor or humid environments.
- Ease of installation:** Pre-punched holes and modular designs simplify setup.

Both Brilltech Engineers and Chalfant Manufacturing Co provide high-quality, durable ladder cable trays with options for customization and safety features, making them reliable choices for cable management projects in Jamaica.
