

Kuwait Power Distribution Box Manufacturer

AI Overview

Kuwait offers a mix of local manufacturers and distributors of international brands for power distribution boxes, including EPC, KEC, Keming Electrical, Schneider Electric, ABB, Honeywell, and Motwane. Local Manufacturers and Suppliers

Electrical Projects Company (EPC): Specializes in low-voltage distribution equipment, including switchboards, distribution boards, motor control centers, and feeder pillars. EPC emphasizes high-quality fabrication, electrostatic powder coating, and compliance with industry standards for safety and power protection.

KEC Kuwait: A leading provider of low-voltage electrical solutions since 1976, offering end-to-end services including pre-sales design, product selection, installation, and post-sales maintenance. KEC stocks a wide range of distribution boxes and low-voltage systems from global manufacturers.

Keming Electrical: Although based in China, Keming supplies high-quality distribution boxes and junction enclosures suitable for Kuwait's extreme desert climate. Their products include weatherproof outdoor boxes, cable branch enclosures, and metering distribution units for residential, commercial, and industrial projects.

International Brands Available in Kuwait

Schneider Electric: Offers a comprehensive range of low-voltage distribution boards, switchgear, and metering solutions suitable for residential, commercial, and industrial applications.

ABB: Known for high-quality switchgear, distribution boards, and automation solutions compatible with smart grid and EV infrastructure.

Honeywell: Provides smart energy and metering systems, including distribution boxes for advanced energy management.

Motwane: Supplies low-voltage distribution equipment and metering solutions for commercial and industrial applications.

Elmex, GIC, Parker, EON, Thronlux: Additional brands distributed in Kuwait, offering specialized electrical enclosures, lighting, and...
