

Latest Price List for French Mesh Cable Trays

AI Overview

Custom-made French mesh cable trays typically range from €0.80 to €76 per unit depending on size, material, and order volume, with stainless steel options offering durability and corrosion resistance.

Overview of Pricing

B2C Retail Prices: Individual units of mesh cable trays are generally priced between €15 and €34, suitable for small-scale installations or office setups.

B2B Bulk Prices: For larger orders, prices can range from €0.80 to over €76 per unit, depending on tray dimensions, stainless steel grade (304 or 316), and customization requirements.

Custom Fabrication: French manufacturers like Valdinox and suppliers such as JLH Electric offer custom sizes, lengths, and wire diameters, which can affect pricing. Custom trays are designed for specific cable routing needs, including curves, slopes, and tees.

Material and Specifications

Stainless Steel Grades: 304 and 316 stainless steel are commonly used, providing excellent corrosion resistance for indoor and outdoor installations.

Dimensions: Widths typically range from 200 mm to 500 mm, heights from 50 mm to 200 mm, and lengths from 300 mm to 3000 mm. Wire diameters usually range from 3.5 mm to 6 mm.

Design Features: Open mesh design allows ventilation, reduces heat buildup, and prevents cable damage. Optional covers and flexible mounting options are available for enhanced protection and installation efficiency.

Supplier Options in France

Valdinox: Offers high-quality mesh cable trays with self-coupling systems for faster installation and longer lifespan.

JLH Electric: Provides custom fabrication services with competitive factory pricing, suitable for industrial, IT, and office environments.

Alibaba & International Suppliers: Useful for bulk orders with potential cost savings, though shipping and import considerations may apply.

Considerations for Cost

Customization: Tailored sizes, bends, and fittings increase u...
