

Lebanese Stainless Steel Cable Tray Price Quote

AI Overview

Stainless steel cable tray prices in Lebanon vary by grade, size, and supplier, and are typically provided upon request from local distributors. Overview of Suppliers and Products Several reputable suppliers in Lebanon offer stainless steel cable trays: SFSP Lebanon provides cable trays in stainless steel, pre-galvanized, hot-dip galvanized, and aluminum, compliant with BS EN 61537, NEMA, and ISO/IEC standards. Legrand Lebanon (Cablofil) offers wiremesh cable trays in 304L and 316L stainless steel, certified for E30/E90 fire ratings and compliant with IEC 61537, ABS, and DNV standards. Their trays feature quick-fix systems and corrosion-resistant finishes. Tramsteel s.a.l. is a leading Lebanese steel manufacturer providing custom solutions for cable tray projects, including stainless steel options. Brilltech Engineers and Cable House supply high-quality stainless steel trays with perforated designs for improved airflow, durability, and compliance with industry standards. Factors Affecting Price Material Grade: 316L stainless steel is more corrosion-resistant and typically more expensive than 304L. Tray Type: Wiremesh, ladder, or perforated trays have different manufacturing costs. Size and Length: Longer or wider trays increase material usage and cost. Accessories: Bends, junctions, supports, and fasteners can add to the total price. Compliance and Certification: Trays meeting fire ratings or offshore standards may cost more. How to Obtain Pricing Since prices are not publicly listed online, the most reliable approach is to: Contact suppliers directly via their websites or commercial advisors. Provide project specifications including tray type, length, width, stainless steel grade, and quantity. Request a formal quotation to compare costs and delivery options. For example, Legrand Lebanon advises consulting a commercial advisor for stock availability and pricing, while Brilltech En...
