

Molded cable trays available in stock

AI Overview

High-quality molded cable trays can be sourced from specialized distributors and manufacturers such as eTrailer, McMaster-Carr, MP Husky, and SILTEC, offering durable, corrosion-resistant options for industrial, commercial, and trailer applications.

Recommended Suppliers

1. **eTrailer** eTrailer offers one-piece molded cable trays specifically for trailer wiring, including 7-way RV-style connectors with molded cables. These products feature durable rubber or PVC construction, corrosion-resistant terminals, and flexible installation options, making them ideal for vehicle and trailer applications.
2. **McMaster-Carr** McMaster-Carr provides a wide selection of cable trays, including molded and solid-bottom trays, in various sizes and materials. They offer fast shipping and a broad range of styles suitable for industrial and commercial installations.
3. **MP Husky** MP Husky manufactures high-quality cable tray systems in aluminum, galvanized steel, stainless steel, fiberglass, and PVC-coated options. Their trays meet NEMA, UL, CTI, and CSA standards, making them reliable for heavy-duty industrial and commercial use.
4. **SILTEC** SILTEC specializes in stainless steel cable trays (AISI 304 and 316) and offers custom sizes. Their trays are corrosion-resistant, easy to install, and suitable for commercial and industrial environments. They also provide accessories like brackets, clamps, and connectors for complete cable management solutions.
5. **Online Retailers and Distributors**
