

Myanmar s professional electrical distribution box manufacturer

AI Overview

Panel Z Electric, Khin Maung Tun & Brothers, IEM Myanmar, and Myanma Power Spectrum are leading professional manufacturers and suppliers of electrical distribution boxes in Myanmar. Panel Z Electric Co., Ltd. Founded in 2018, Panel Z Electric specializes in fabricating electrical switchboards, distribution boards, control panels, HV switchgear panels, and metal enclosures. The company operates a 6,400 sqft advanced manufacturing facility equipped with precision machinery for design, fabrication, assembly, and testing. They provide turnkey solutions for motor starters, switchboards, and power distribution & control panels, serving industrial, commercial, and residential sectors with professional after-sales service and customized enclosures to meet client requirements. Khin Maung Tun & Brothers Co., Ltd. Established in 2006, Khin Maung Tun & Brothers (KMTB) is a leading electrical industry company in Myanmar. They supply a comprehensive range of low, medium, and high-voltage electrical products and are known for fast delivery and reliable service. KMTB focuses on quality, customer satisfaction, and building strong relationships with clients, making them a trusted partner for electrical distribution solutions across various projects in Myanmar. IEM Myanmar IEM Myanmar is an international trading and engineering company providing a wide range of industrial and electrical products, including power distribution systems. They offer design, installation, commissioning, and maintenance services for power generation and distribution systems. Their team of engineers ensures reliable solutions and annual maintenance contracts, making them a notable provider of electrical distribution solutions in Myanmar. Myanma Power Spectrum Co., Ltd. Founded in 2006, Myanma Power Spectrum supplies low, medium, and high-voltage electrical equipment and s...
