

New Waterproof Distribution Box Series

Overview

(1) Waterproof distribution box engineered for harsh outdoor and industrial environments, providing IP65–IP68 sealing against dust, rain, and UV. Use the tabs below to compare series, select IP ratings, and review applicable standards. The first. The Waterproof Electrical Distribution Box, with its high-definition transparent cover, is a transparent panel that not only allows for easy monitoring of the internal components, but also enhances the overall aesthetics, making it perfectly suited for functional applications. It ships with a DIN rail for MCB/RCD/RCBO, supports neutral/earth bars, and provides knock-out entries that fit cable glands to maintain IP65 sealing. Ideal for lighting. Discover EKDB10 IP65 waterproof distribution boxes made of durable PC plastic. Meet IEC standards for reliable electrical protection. Check dimensions & specs now! EKDB10 series.
