

# Price List of Dutch Cable Trays

## AI Overview

Cable trays in the Netherlands can be found for as low as €0.80 per unit in bulk, with consumer-grade options starting around \$15 (€14) per tray.

**Price Overview**

**B2C (Consumer) Market:** Cable trays suitable for home or office use are priced between \$15 and \$34 (€14–€32) per unit. These are typically under-desk wire management trays with easy installation features like no-drill clamps, ideal for small-scale projects or personal use (Accio, 2025).

**B2B (Industrial/Commercial) Market:** Bulk purchases for professional applications, such as construction or data centers, can cost as low as \$0.80 (€0.75) per unit, with prices ranging up to \$76 (€72) depending on material, size, and specifications. These trays are more durable, often made from stainless steel, aluminum, or fireproof FRP, and comply with international standards like DIN EN 61537 (Accio, 2025).

**Supplier Options in the Netherlands**

**RS Online:** Offers a wide range of cable trays, wire trays, and cable baskets suitable for both home and industrial use. Prices vary depending on size and material, but RS Online is convenient for smaller orders and quick delivery (RS Online).

**CC Nederland B.V.:** Specializes in stainless steel trays (AISI 304) with lengths up to 3 meters and widths from 25 mm to 600 mm. These are more premium options, offering durability and corrosion resistance, suitable for industrial or outdoor applications (CC Nederland).

**Jasicamp:** Provides standard cable trays and flexible hose solutions, including grey cable ducts with covers, suitable for smaller installations or renovation projects (Jasicamp).

**Ekabel24:** Offers a comprehensive range of cable trays, ladders, and trunking systems, including galvanized steel, stainless steel, and halogen-free plastic. Bulk orders over €500–€1000 may qualify for discounts, making it a cost-effective choice for larger projects (Ekabel24).

**Tips for Finding the Cheapest Prices**

**Buy in Bulk:** B2B suppliers like Alibaba or Ekabel24 offer significantly lower per-unit prices for large orders.

**Compare Materials:** Plastic or aluminum trays are generally cheaper than stainless steel.
