

Price of European-style cable trays in Serbia

AI Overview

European-style cable trays in Serbia vary in price depending on material, type, and customization, with suppliers offering quotes upon request. Types and Materials European-style cable trays commonly available in Serbia include:

- Ladder Cable Trays:** Made from industrial-grade aluminum or steel, offering high durability and strength, suitable for heavy-duty industrial applications.
- Perforated Cable Trays:** Typically made from galvanized steel or stainless steel, allowing airflow and heat dissipation for electrical cables.
- Galvanized Cable Trays:** Hot-dip galvanized trays resist corrosion and are widely used in construction, automotive, and electrical industries.
- Plasticized or Coated Trays:** Provide additional protection against environmental factors and are suitable for indoor or outdoor installations.

Suppliers in Serbia Several reputable suppliers provide European-style cable trays:

- Brilltech Engineers Pvt. Ltd.:** Offers ladder, perforated, and galvanized trays with customization options for size, length, and material. They provide installation support and system design assistance.
- Jeetmull Jaichandlall (P) Ltd.:** Supplies high-quality cable trays in various sizes, shapes, and colors, adhering to industry standards.
- OBO Bettermann Serbia:** Offers cable support systems and industrial cable trays suitable for commercial and industrial installations.
- Pekom:** Specializes in plasticized cable trays and perforated tracks for electrical installations.

Pricing Guidance Prices for European-style cable trays in Serbia are not standardized online and depend on factors such as material, tray type, dimensions, and quantity. For accurate pricing, it is recommended to contact suppliers directly to request a quote based on your project specifications. Suppliers like Brilltech and Jeetmull Jaichandlall provide customized quotes and can advise on the most cost-effective options for your need...
