

Price of Outdoor Cable Tray Installation Brackets

AI Overview

Outdoor cable tray bases and brackets typically range from \$10 to \$100 per piece depending on material, size, and load capacity. Pricing Overview Outdoor cable tray bases and brackets are available in galvanized steel, stainless steel, and perforated ladder types, with prices influenced by material durability, load rating, and supplier . Standard brackets for mounting trays generally cost \$10-\$50 each, while heavy-duty bases or supports for larger trays can range from \$50-\$100 or more . Bulk orders or factory-direct purchases may reduce per-unit costs. Material and Durability Galvanized steel: Offers corrosion resistance for outdoor use and is commonly used for industrial installations . Stainless steel: Provides higher corrosion resistance and longevity, suitable for harsh environments, but at a higher price point . Plastic or halogen-free options: Less common outdoors but available for lighter loads and specific environmental requirements . Types of Brackets and Bases Wall-mounted brackets: Secure trays to vertical surfaces, ideal for outdoor walls or building exteriors . Ceiling or overhead brackets: Support horizontal runs of cable trays above ground . Hold-downs and splicers: Provide additional stability in high-vibration or long-span installations . Adjustable bases: Used for leveling trays on uneven surfaces or for heavy-duty outdoor setups . Additional Considerations Compliance: Ensure brackets and bases meet standards such as DIN EN 61537, IEC, or NEC for outdoor cable management . Accessories: Covers, clamps, and end caps may add to the total cost but improve durability and safety . Supplier options: Prices vary by supplier; platforms like Alibaba offer factory pricing for bulk orders, while specialized distributors like Channel and Tray or RS Components provide ready-to-ship options with detailed specifications . In summary, when budgeting for outdoor cable tray installations, ex...
