

Price of cable tray screw bolts

AI Overview

Cable tray screw bolts typically range from £15 to £25 per 100-pack, depending on size and type. Typical Options and Prices

M6 x 16mm Bolt & Flange Nut (100 pack): This set includes fully threaded M6 truss head bolts with serrated flange nuts, ideal for secure cable tray fastening. The price is around £20 per 100-pack with fast UK delivery available.

M6 x 12mm Bolt with Hex Flange Nut (100 pack): Bright zinc-plated bolts designed for rapid and secure fixing, priced at approximately £15–£18 per 100-pack.

Other M6 Cable Tray Bolts: Various suppliers, including Bolt World and Shop4Fasteners, offer M6 bolts with flange nuts in different finishes (zinc-plated, BZP mild steel) and head types (truss, mushroom, hex), with prices generally in the £15–£25 range per 100 units.

Additional Considerations

Bulk Orders: For larger quantities, trade pricing may be available, and delivery times may vary slightly for heavy or bulk orders.

Material and Finish: Zinc-plated or BZP mild steel options are common, providing corrosion resistance and durability.

Pack Size: Most suppliers sell in packs of 100, which is standard for construction and electrical applications. These prices reflect typical UK market rates and may vary slightly depending on supplier, delivery options, and any ongoing promotions. For exact pricing and bulk discounts, contacting the supplier directly is recommended.
