

Price of galvanized cable tray fasteners in Singapore

AI Overview

Galvanized cable tray fasteners in Singapore typically range from S\$1 to S\$5 per piece, depending on size, type, and supplier. Pricing Overview The cost of galvanized cable tray fasteners varies based on fastener type (M6, M8, carriage bolts, flat head screws), material quality (hot-dipped galvanized, GI), and quantity purchased. For example, Shopee Singapore lists M6 and M8 galvanized screws for cable trays at approximately S\$1–S\$3 per piece, with potential discounts for bulk orders. Prices may increase slightly for specialized fasteners or premium coatings. Supplier Options in Singapore AEHub offers a wide range of metallic cable support systems, including hot-dipped galvanized and GI fasteners, suitable for light, medium, and heavy-duty cable trays. Contacting them directly can provide bulk pricing and delivery options. Wanco Electric Pte Ltd supplies perforated steel and hot-dipped galvanized cable trays and fasteners, with options for epoxy-coated or stainless steel fasteners. They can provide customized fastener solutions for different tray sizes. HardwareCity and Shopee Singapore provide online purchasing options with islandwide delivery, often including promotions for orders above S\$200. Tips for Procurement Check compatibility: Ensure fasteners match the cable tray type (light, medium, heavy-duty) and size (M6, M8). Bulk orders: Ordering in larger quantities can reduce per-piece cost. Supplier quotes: Contact suppliers directly for updated pricing, as market rates fluctuate with material costs. Delivery options: Many suppliers offer free delivery for orders above a certain amount, which can reduce overall procurement costs. By comparing online marketplaces and local suppliers, you can secure galvanized cable tray fasteners in Singapore at S\$1–S\$5 per piece, with potential savings for bulk purchases and direct supplier orders.
