

Price of large optical cable reel brackets

AI Overview

Large optical cable reel brackets typically range from £50 to over £200 per unit, depending on size, material, and supplier. Overview of Options RS Components and Farnell UK offer heavy-duty cable reel holders suitable for large optical cables, with prices generally starting around £50-£100 for standard industrial brackets and increasing for larger or more robust models. These units are designed for safe storage, easy unwinding, and protection against kinking or twisting. Amazon UK provides a variety of wall-mounted and portable cable reel holders, with prices ranging from £60 to £150, depending on capacity and design. These are suitable for smaller-scale installations or temporary setups. Alibaba and Made-in-China suppliers offer customizable optical fiber storage reel brackets, including 18-inch ADSS fiber reel brackets made from UV-resistant PP material. Prices for these units typically start around \$70-\$120 USD per bracket, with shipping fees and bulk order discounts negotiable. These suppliers often provide OEM/ODM services and can accommodate large-scale or specialized requirements.

Factors Affecting Price

Material and Durability: UV-resistant PP or metal brackets are more expensive but offer longer lifespan and outdoor suitability.

Size and Capacity: Larger reels or heavy-duty brackets cost more due to increased material and structural strength.

Customization: Brackets with custom logos, packaging, or design features increase the unit price.

Supplier and Shipping: Local suppliers like RS or Farnell may have higher unit prices but faster delivery, while overseas manufacturers may offer lower prices but longer lead times.

Recommendation For industrial or outdoor optical fiber installations, investing in UV-resistant, heavy-duty brackets from RS Components, Farnell, or Alibaba is recommended. For smaller-scale or temporary setups, Amazon UK offers cost-effective options. Always check shipping costs, bulk discounts, and delivery times when comparing suppliers.
