

Price of stainless steel cable trays in Fiji

AI Overview

Stainless steel cable trays in Fiji typically cost between \$10 and \$30 per meter, depending on material grade, type, and supplier.

Price Range and Factors

The cost of stainless steel cable trays in Fiji varies based on several factors:

- Material Grade:** Most trays are made from 304 or 316 stainless steel, with 316 offering higher corrosion resistance and slightly higher cost.
- Tray Type:** Ladder-type, perforated, and solid-bottom designs are available, with ladder trays generally costing more due to higher load capacity.
- Dimensions:** Widths range from 50mm to 900mm, and depth variations affect pricing.
- Surface Finish:** Polished or coated finishes increase durability and cost.
- Customization:** Custom sizes or specialized accessories can raise the price.

On average, stainless steel trays are more expensive than mild steel or aluminum trays, but they offer superior corrosion resistance and long-term durability.

Standard pricing for steel trays in general ranges from \$10 to \$30 per meter, with aluminum trays costing \$20-\$50 per meter.

Stainless steel trays in Fiji are considered cost-effective when factoring in their longevity and low maintenance.

Local Suppliers in Fiji

Several suppliers provide stainless steel cable trays in Fiji:

- Jeetmull Jaichandlall (P) Ltd.:** Offers a wide range of sizes, shapes, and finishes, emphasizing high-quality manufacturing and competitive pricing.
- Brilltech Engineers Pvt. Ltd.:** Supplies stainless steel, ladder, perforated, and PVC cable trays with customization options for industrial and commercial projects.
- Supermarket Track / Micro Sheet Crafts:** Provides modular and durable cable trays with on-time delivery and quality assurance.

Cost-Saving Tips

- Bulk Orders:** Ordering in larger quantities can reduce per-meter costs.
- Standard Sizes:** Using standard widths and depths avoids custom fabrication charges.
- Supplier Comparison:** Contact multiple local suppliers for quotes to ensure competitive pricing.

In summary, for a typical project in Fiji, expect to pay \$10-\$30 per meter for stainless steel cable trays, with the final cost influenced by material g...
