

Slovakian Corrosion-Resistant Cable Tray Manufacturer

AI Overview

Slovakia has several reputable manufacturers offering corrosion-resistant cable trays, including Brilltech Engineers, Cable House, and Jeetmull Jaichandlall, providing galvanized, stainless steel, and perforated solutions. Key Manufacturers and Suppliers Brilltech Engineers Pvt. Ltd. Brilltech Engineers is a prominent supplier of cable trays in Slovakia, offering galvanized steel, stainless steel, and fiberglass trays. Their products include ladder and perforated cable trays designed for durability, corrosion resistance, and optimal airflow. They provide customization options for size, dimensions, and material, ensuring compliance with industry standards and suitability for industrial, automotive, and construction applications. Brilltech also offers installation support and system design assistance, making them a full-service provider for cable management solutions. Cable House Established in 1983, Cable House manufactures and supplies a wide range of cable trays, including corrosion-resistant options. They are known for high-durability, reliable performance, and customized solutions. Their expertise extends to industrial connectors, hose clamps, and crimping tools, supporting comprehensive electrical infrastructure projects. Cable House emphasizes quality control and customer satisfaction, making them a trusted Slovakian supplier. Jeetmull Jaichandlall (P) Ltd. Specializing in perforated cable trays, Jeetmull Jaichandlall provides corrosion-resistant wire mesh trays suitable for construction, mining, automotive, and agricultural applications. Their trays are designed for impact resistance, ventilation, and durability, and they offer a variety of sizes, shapes, and configurations. The company maintains strict adherence to industry standards and quality control, ensuring long-lasting performance. Product Types and Features Ladder Cable Trays: Strong, industrial-grade aluminum or steel,...
