

Smart Distribution Box Manufacturer in Pakistan

AI Overview

Key manufacturers of smart and standard distribution boxes in Pakistan include C Power, H&B Engineering, Hero Electric, Tariq Electric, and Reliable Electric. Leading Manufacturers and Suppliers C Power offers a range of distribution boxes suitable for residential, commercial, and industrial applications. Their products include waterproof and dustproof DB boxes, surface-mount designs, and HA Series lighting DB boxes compliant with IEC-493-1 standards, ensuring safety and durability in various environments. H&B Engineering specializes in electric panels and distribution boxes across Pakistan, providing customized solutions for residential, commercial, and industrial setups. Their offerings include Main Distribution Boards (MDB), Sub Main Distribution Boards (SMDB), Final Distribution Boards (FDB), junction boxes, control boxes, and custom enclosures for automation or instrumentation systems. Hero Electric (Hero Pak Electrical Industries Pvt. Ltd.) is an ISO 9001-2000 certified manufacturer with a strong dealer network across Pakistan. They focus on quality electrical accessories, including distribution boxes, and emphasize R&D and customer-driven design innovations. Tariq Electric (Pvt) Ltd is a prominent manufacturer of electrical distribution equipment, including medium and low voltage switchgear, panel boards, and motor control centers. With over 30 years of experience, they provide comprehensive project management and high-quality distribution solutions for industrial applications. Reliable Electric supplies distribution boxes suitable for residential, commercial, industrial, solar, and EV applications. They handle three-phase power systems and emphasize genuine, high-quality products with a wide client network across Pakistan. Additional Considerations When selecting a manufacturer, consider: Product certifications and compliance with IEC or local NEPR...
