

Somali Metal Fireproof Cable Tray Manufacturer

AI Overview

Somalia has suppliers and international manufacturers offering fireproof and explosion-proof cable trays suitable for industrial and commercial applications. Key Manufacturers and Suppliers:

- Eurotray** – Offers a wide range of cable management systems, including fireproof cable trays, fire prevention systems, and custom-made fire protection cushions. They provide solutions for wall and ceiling penetrations and cater to industrial and commercial projects.
- VALDINOX** – Specializes in wire mesh cable trays and supports, including fire-resistant options. They focus on easy-installation accessories and have decades of experience in cable tray manufacturing.
- EASYCONNECT** – Provides durable mesh cable tray systems designed for secure cable management, including fireproof variants suitable for high-risk environments.
- Bahra Electric** – Supplies metal and non-metallic cable trays with fire-resistant properties. Their products include ladder-type, perforated, and solid-bottom trays, adaptable for various industrial and institutional installations.
- Somali Explosion-Proof Cable Tray Suppliers** – Several suppliers offer perforated and ladder-type cable trays made from galvanized steel, stainless steel, aluminum, or glass-fiber reinforced plastic. These trays are fully chemical and corrosion-resistant, non-conductive if non-metallic, and available with covers for extra protection.

Product Features:

- Materials:** Galvanized steel, stainless steel, aluminum, and glass-fiber reinforced plastic.
- Types:** Ladder-type, perforated, and solid-bottom trays.
- Fireproofing:** Many trays include fire-resistant coatings or are designed for fire-stopping wall and ceiling penetrations.
- Customization:** Widths from 50mm to 600mm, heights from 20mm to 150mm, and thicknesses from 1mm to 4mm, with accessories for installation.
- Applications:** Industrial plants, commercial buildings, IT infrastructure, and hazardous areas.
