

Spot Price of Trapezoidal Galvanized Cable Trays

AI Overview

Trapezoidal galvanized cable trays are priced based on size, material, and supplier, typically ranging from ₹16 per piece for small coupler plates to higher rates for full-length trays, with customization available.

Overview

Trapezoidal galvanized cable trays are metal trays coated with zinc to resist corrosion, used for supporting and routing electrical cables in industrial, commercial, and residential installations. They are suitable for indoor and outdoor use and can be installed horizontally, vertically, or along walls and beams.

Typical Pricing

Coupler Plates for Cable Trays:

- 25/50 mm height trays: 20/30 x 200 mm = ₹16 per piece
- 75/100 mm height trays: 70 x 200 mm = ₹30 per piece

Full-Length Trapezoidal Cable Trays: Prices vary depending on length, width, and galvanization type (hot-dip or electro-galvanized). Standard lengths are often 2.4 meters.

On platforms like Alibaba, prices are customizable based on dimensions and order quantity, with options for powder coating or hot-dip galvanization.

Customization and Bulk Orders: Many manufacturers, such as Shandong Hongfeng and Indian suppliers, offer custom sizes, materials (stainless steel, aluminum), and finishes. Minimum order quantities may apply, typically starting from 50 meters or more.

Supplier Options

IndiaMART: Multiple suppliers across India offering galvanized steel cable trays with contact details for direct inquiries.

Alibaba: Factory-direct suppliers with international shipping, customization, and various galvanization options.

Made-in-China: OEM suppliers providing trapezoidal steel wire and ladder-type trays with ISO and CE certifications.

Local Indian Suppliers: PDF price lists from companies like M.G. Cable Industries provide ex-stock pricing and delivery within 3-5 days.

Notes: Prices are subject to change and may vary by region, supplier, and order quantity. GST or other taxes may be additio...
