

Sri Lanka Active Optical Device 10G

AI Overview

10G SFP+ Active Optical Cables (AOC) are available in Sri Lanka for high-speed 10GbE networking, offering extended reach, low power consumption, and improved signal integrity.

Overview Active Optical Cables (AOC) are fiber-optic cables with integrated transceivers that convert electrical signals to optical signals, enabling high-speed data transmission over longer distances than copper cables. They are commonly used in data centers, telecom, wireless networks, and enterprise environments.

Key Features

- Data Rate:** 10Gbps per direction for SFP+ AOC, supporting 10G Ethernet.
- Distance:** Typically up to 30-100 meters depending on the model and fiber type.
- Connector Type:** SFP+ connectors compatible with Cisco, Ubiquiti, Mikrotik, and other SFP+ ports.
- Compliance:** SFP+ MSA, SFF-8431, SFF-8472, RoHS compliant.
- Advantages:** Hot-swappable, low-voltage, lightweight, improved EMI immunity, better bit error rate, and longer reach compared to passive copper cables.
- Customization:** Options for cable length, color, fiber type, and connector matrix are available from vendors like 10Gtek.

Available Vendors in Sri Lanka

- Desertcart Sri Lanka:** Offers 10Gtek 10G SFP+ AOC cables compatible with Cisco, Ubiquiti, and Mikrotik, with free delivery across Sri Lanka.
- 10Gtek:** Provides a wide range of AOC products including SFP+, QSFP+, SFP28, and QSFP28, with customization services for enterprise needs.
- Colombo CCTV:** Stocks Hikvision 10G SFP+ optical modules suitable for high-speed networking in Colombo.
- Networkstore.lk:** Offers networking solutions including SFP modules and GPON SFP ports, which can complement AOC deployments.

Applications

- Data Centers:** High-speed interconnects between switches and servers.
- Telecom & Wireless:** Fiber links for base stations and telecom equipment.
- Enterprise Networks:** Backbone connections requiring low latency and high bandwidth.
- Fiber Channel & InfiniBand:** Storage and high-performance computing networks.
