

Supplier of long-span cable trays for China and Europe

AI Overview

Leading suppliers of long-span cable trays in China include Tianhong, Longjoy, and Shandong Hongfeng, all offering high-quality, customizable solutions suitable for European and global markets.

Key Suppliers

1. **Shandong Tianhong Electric Power Technology Co., Ltd.** Tianhong specializes in cable tray systems including perforated trays, cable ladders, trunking, and long-span solutions. They offer OEM & ODM services, powder-coated and stainless steel options (SUS201/304/316), and support large-scale industrial projects such as power plants, data centers, and commercial buildings. Their products are designed for durability, corrosion resistance, and flexible installation, making them suitable for both domestic and international markets, including Europe (tianhongcabletray.com).
2. **Longjoy Cable Tray** Located in Northern China, Longjoy has over 30 years of experience in cable tray manufacturing. They provide high-quality raw materials, advanced production equipment, and professional export services, supporting CE and VDE certifications. Longjoy offers customized long-span cable trays, installation fittings, and ODM/OEM solutions, ensuring timely delivery and compliance with international standards (longjoycable.com).
3. **Shandong Hongfeng Import and Export Co., Ltd.** Hongfeng is a comprehensive manufacturer offering wire mesh, trough, trapezoidal, and large-span cable trays. They use materials such as stainless steel, aluminum, and fiberglass, and hold ISO 9001, SGS, and CE certifications. Their products are widely applied in communication, solar power, and thermal power projects, and they provide customization and export services suitable for European clients (cabletrayhf.com).
4. **Other Notable Suppliers** Additional suppliers can be found through B2B marketplaces like Tradewheel and Made-in-China, which list manufacturers offering galvanized, waterproof, and comp...
