

Tajikistan Indoor Distribution Box Manufacturers

AI Overview

Tajikistan has several suppliers and manufacturers offering indoor distribution boxes, including standard, dust-proof, and explosion-proof models suitable for industrial and commercial use. Key Manufacturers and Suppliers

Local and Regional Suppliers

Tajikistan hosts suppliers of indoor distribution boxes that cater to industrial and commercial needs. Products include dust-proof, explosion-proof, and standard electrical distribution boxes made from cold-rolled steel with electrostatic powder coating, offering IP54 to IP65 ratings for indoor and outdoor use. These boxes are designed for durability, electrical insulation, and resistance to dust, water, and impact.

International Manufacturers Serving Tajikistan

Several international companies supply distribution boxes to Tajikistan, including ktc GmbH (Germany), TP Electric (Turkey), EKT Enerji (Turkey), and Omnium Electric. These manufacturers provide low-voltage distribution systems, switchgear, and modular electrical panels suitable for industrial applications. They often support OEMs, installers, and distributors, making them accessible for Tajikistan-based businesses.

Product Features and Types

Standard Indoor Distribution Boxes: Wall-mountable, pre-wired, with circuit breaker protection, suitable for workshops, factories, and construction sites.

Dust and Explosion-Proof Boxes: Designed for hazardous environments such as chemical plants, coal mines, and aluminum powder factories. Features include IP65 rating, anti-dust, shock-proof, and spark-proof construction.

High-Current Industrial Boxes: Capable of handling up to 80A or more, with multiple NEMA sockets and ETL-certified breakers for safety.

Market Insights

The Tajikistan distribution board market is actively monitored, with growth driven by industrial expansion and infrastructure development. Companies entering the market can benefit from customizable solutions.
