

What are some manufacturers of electrical cable trays in South Africa

AI Overview

South Africa has several reputable manufacturers of electrical cable trays, including Hutaib Electrical, Cable Management Group (CMG), Advanced Strut, and local suppliers offering a wide range of materials and tray types. Key Manufacturers

Hutaib Electrical is a prominent South African manufacturer and supplier of cable trays, offering products such as ladder trays, wire mesh trays, basket trays, perforated trays, and raceway trays. They also provide accessories like bends, elbows, tees, and reducers, with finishes including pre-galvanized, powder-coated, and stainless steel (SS-202/304/316) to meet industrial standards. Cable Management Group (CMG) specializes in high-quality cable ladder systems and perforated cable trays for light, medium, and heavy-duty installations. They also supply complementary cable management products, including conduits, fittings, cable glands, ties, and electrical fixings, serving both commercial and industrial sectors. Advanced Strut, based in Cape Town, manufactures and supplies a wide range of electrical containment systems and cable management solutions. Their product line includes cable ladders, wire mesh trays, support channels, PVC and steel power skirting, and wire hanger systems. They cater to diverse applications such as electrical containment, data, solar energy, plumbing, and air conditioning. Local South African suppliers also provide robust cable trays in materials like galvanized steel, stainless steel, and FRP, with types including ladder, perforated, and trough trays. These suppliers emphasize durability, corrosion resistance, flexible mounting options, and compliance with national and international safety standards.

Considerations for Choosing a Manufacturer

Material and Finish: Galvanized steel, stainless steel, and FRP options for corrosion resistance and longevity.

Tray Type: Ladder, perforated, trough, or wir...
