

Which company makes the best stainless steel cable trays in Slovenia

AI Overview

Top Slovenian stainless steel cable tray manufacturers include Bevec d.o.o., Brilltech Engineers, Cable House, and Jeetmull Jaichandlall, recognized for quality, customization, and industrial expertise. Leading Manufacturers

1. Bevec d.o.o. Bevec d.o.o. is a prominent Slovenian manufacturer specializing in cable trays for industrial, transport, and electrical infrastructure applications. They offer trays in widths from 50 to 600 mm and heights from 50 to 60 mm, fabricated from stainless steel, galvanised, or powder-coated sheets. Their product line includes a wide variety of bends, couplers, and accessories, ensuring flexible installation for complex layouts while meeting environmental and safety standards.
2. Brilltech Engineers Pvt. Ltd. Brilltech Engineers provides high-quality cable trays in Slovenia, including stainless steel, galvanized steel, and fiberglass options. Their trays are designed for durability, enhanced airflow, and cable protection. They also offer professional support for system design, installation, and maintenance, making them a reliable choice for both small and large-scale projects.
3. Cable House Established in 1983, Cable House manufactures and supplies a wide range of cable management products, including stainless steel cable trays. They are known for customized solutions, high durability, and international market presence, serving clients with tailored products and reliable performance.
4. Jeetmull Jaichandlall (P) Ltd. Although originally recognized globally, Jeetmull Jaichandlall is listed among the top 10 cable tray manufacturers in Slovenia. They focus on high-quality finishing, versatile sizes, and adherence to industry standards, offering stainless steel trays suitable for various industrial applications.

.Considerations for Selection When choosing a Slovenian stainless steel cable tray manufacturer, consider: Material quality: Stainless steel grades and corrosion resista...
