

Which company offers Irish cable trays

AI Overview

Excel Electric Group and Niedax Group are leading Irish companies known for high-quality cable trays and support systems. Excel Electric Group Founded in 1974 and based in Bluebell, Dublin, Excel Electric Group specializes in the in-house manufacture of cable support systems tailored for the Irish and UK markets, including extensive trunking systems and 25 mm cable trays . The company offers over 5,000 products, including customer-specific solutions, and serves both the wholesale and project markets in Ireland. Since 2019, Excel Electric Group has been part of the Niedax Group, enhancing its product range and technical support . Niedax Group Niedax Group provides a versatile range of cable trays, including mini trays, widespan ladders, wire mesh baskets, and the popular RLVC wall tray system . Their products are designed for industrial, commercial, and institutional installations, offering customizable dimensions, various material thicknesses, and finishes. Niedax emphasizes ease of installation, with innovations like the C-series “click-in” system for faster assembly, reducing labor and cost . Their products are widely used across Ireland in offices, power stations, and industrial plants.

Key Considerations

Product Variety: Both companies offer a wide range of cable trays, from standard ladder trays to wire mesh and trunking systems.

Customization: Niedax and Excel Electric provide tailored solutions for specific project requirements.

Local Support: Being Irish-based, both companies offer strong local technical support and fast delivery.

Quality and Reliability: Both manufacturers have decades of experience and are recognized for durable, high-quality products suitable for Irish electrical standards. For Irish projects, Excel Electric Group and Niedax Group are generally considered the top choices for cable trays due to their local expertise, extensive product range, and proven reliability .
