

Which manufacturer makes the best mesh cable tray connection clips

AI Overview

Top manufacturers for mesh cable tray connection clips include Atkore's Cope, MP Husky, and McMaster-Carr, known for high-quality, durable, and UL/NEMA-compliant products.

Leading Manufacturers

Atkore – Cope Brand Cope, part of Atkore, is a premier producer of cable tray systems, including wire mesh trays with Quick Latch™ self-splicing bars that eliminate the need for traditional nut-and-bolt connections. Their products are made in the USA, meet Buy America standards, and are designed for durability, airflow, and ease of installation, making them a preferred choice for professional installers and facility owners.

MP Husky MP Husky manufactures UL, CSA, and NEMA-compliant wire mesh/basket cable tray systems and connection clips. They are recognized for high reliability, engineering proficiency, and cost-effective solutions for complex installations. MP Husky emphasizes quality, customer support, and innovative designs, making their clips suitable for demanding industrial and commercial applications.

McMaster-Carr McMaster-Carr offers a wide selection of corrosion-resistant tray clips, including straight connectors, clamp connectors, and hanging clips. Their products are lightweight, versatile, and designed for easy installation on wire mesh trays, supporting up to 280 lbs. per foot when properly installed. They are ideal for both commercial and industrial projects requiring accessible and ventilated cable routing.

Other Options

Alibaba Suppliers: Provide a variety of wire mesh cable tray connection clamps in steel, aluminum, and fiberglass, suitable for different environmental conditions and load requirements.

Amazon Bulk Kits: Brands like Zonon offer bulk coupler kits for large installations, made from carbon steel and designed for versatile mesh panel applications.

Key Considerations

When Choosing Clips

Material: Galvanized steel or aluminum for corrosion resistance...
